

Morph-M - Anomalie #39

Erreurs dans un code d'exemple de la doc

12/01/2008 03:02 PM - Serge Koudoro

Status:	Fermé	Start date:	
Priority:	Bas	Due date:	
Assignee:		% Done:	100%
Category:	old plone Bugs	Estimated time:	0.00 hour
Target version:			
Description			
Description:			

A la page Morphee User Documentation -> Morphee Modules -> File Input Output (http://rhodes.ensmp.fr/morphee_doc/core_cpp_interface/group_imageIO.html) le code d'exemple contient plusieurs fautes.			
#2 05/12/2007 09:55 (Tibs)			

Change: status: "pending" -> "accepted"			
Comment:			
vouli ce truc a été tapé a la va vite je me charge de corriger.			
#1 30/11/2007 09:28 (jo)			

Change: topic: "" > "UI"			
Change: solution: "" -> " morphee::imageIO::initImageIO();> morphee::imageIO::initImageIO(); morphee::imageIO::initImageIOExt();-> morphee::imageIO::initImageIOExt(); morphee::ImageInterface* im1 = morphee::imageIO::fileRead("myimage.png"); > morphee::RES_C res; //du coup, pas la peine de le redeclarer plus bas morphee::ImageInterface* im1; res=morphee::imageIO::fileRead(im1, "myimage.png"); return RES_ERROR/RES_OK;>??"			
Change: importance: "medium" -> "low"			
Change: title: "" -> "Erreurs dans un code d'exemple de la doc"			
Change: description: "" -> "A la page Morphee User Documentation -> Morphee Modules -> File Input Output (http://rhodes.ensmp.fr/morphee_doc/core_cpp_interface/group_imageIO.html) le code d'exemple contient plusieurs fautes."			

History

#1 - 12/01/2008 03:05 PM - Serge Koudoro

- Category set to old plone Bugs
- Status changed from Nouveau to Résolu
- Priority changed from Normal to Bas
- % Done changed from 0 to 100

#2 - 12/01/2008 03:41 PM - Serge Koudoro

- Status changed from Résolu to Fermé
